

Available in 11" and 14" sizes

Protect student Chromebooks 24/7 with the slim and budget-friendly MAXCases Explorer Slim Work-In case. Designed for lightweight carrying and always-on protection, this sleek case offers a perfect balance of functionality and affordability, with a handy elastic pocket that stretches to accommodate accessories and lays flat when not in use, maintaining the slim profile. Durable carry handles provide a secure grip while the optional MAXCases Universal Shoulder Strap adds hands-free carry options. The molded interior honeycomb pattern provides airflow to keep devices cool. Available in two sizes to accommodate virtually any 11-inch or 14-inch Chromebook/laptop.

Explorer Slim Work-In Case
