

Featuring a rotating hand strap and the virtually-unbreakable FlexStand, the Shield Extreme-X2-H provides a perfect fit, handy features, and outstanding protection for the 10.9" iPad 10. Dual-layer bumpers deliver enhanced durability and shock dissipation, while the screen is safeguarded by a commercial-grade screen protector, for protection that meets MIL-STD 810G-516.6 standards for drop protection up to 6 feet. Users enjoy comfort and convenience with unlimited FlexStand positioning options, full 360-degree rotating silicone hand strap, and molded stylus holder that securely accommodates the Apple Pencil and Logitech Crayon. Allowing for easy cleaning, the hand strap is removable and replaceable. The custom design ensures easy access to all ports, openings, and buttons. Durable corner anchors make it easy to add an (optional) hand strap, shoulder strap or any clip-on accessory.
