

EdgeProtect & Edge Protect Plus

Cost-effective protection where it's needed most

EdgeProtect™

Single-Side, Top-Only Case

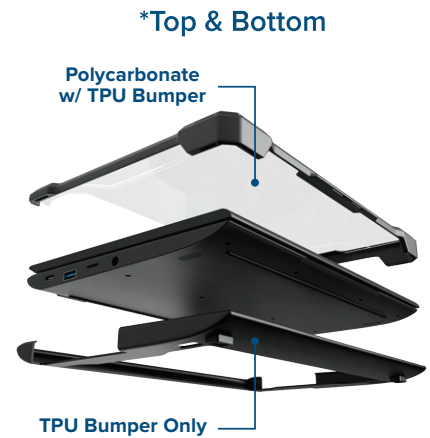

- Next-gen design is lighter, slimmer & a great value
- Custom-fit, top-only protection fits charging carts & lightens student backpack
- Overlap corners protect areas most vulnerable to drop
- Enhances devices with built-in bottom half protection

EdgeProtect™ Plus

Two-Piece Case

- Lighter, slimmer & less costly than older 2-piece cases
- Patent-pending FrameGuard™ bottom bumper attaches with adhesive & distributes vibration for superior drop protection
- Open-frame design with no plastic reduces overall weigh
- Top overlap corners add vital drop protection where it's needed most
