

Custom fit for the 11" and 13" iPad Pro

Lightweight, stylish protection for the iPad Pro is a breeze with the MAXCases Breeze folio case. The custom-fit design enables easy access to all ports and controls, while the shock-absorbing edge and corner bumpers guard against damage from drops and bumps. The smart on/off cover safeguards battery life and offers handy roll-back positioning for viewing and typing angles. The snug, integrated holder keeps the Apple Pencil/equivalent stylus close at hand while also allowing for easy removal. Enjoy protection and style in a sleek, lightweight design that's a perfect fit for the 2024 iPad Pro 11-inch and 13-inch models.
