

Don't be fooled by its sleek design. The new Shield Extreme-X for the 8-inch Samsung Galaxy Tab A delivers rugged, 360-degree protection with an updated two-piece design. Integrated internal air-pockets make for slim yet highly impact- and shock-absorbing corners. Impact-absorbing TPU surrounds edges. The commercial-grade screen cover protects against scratches and impact. An all-new kickstand design is highly durable and adjusts easily to three positions for customized viewing and typing. Designed to support users' changing needs, it includes durable corner through-holes for attaching lanyards, styluses and other accessories.
