

Extreme Shell® -F and -S for Chromebooks & Laptops

Rugged custom-fit cases with options to fit your needs

MAXCases flagship 2023 cases deliver rugged, reliable protection for your device investments, with some distinct differences that let you choose the best option to fit your budget and needs.

KEY FEATURES OF BOTH CASES

Tough top/bottom panels
Clear PC protects against scratches & dings; provides easy asset tag visibility

Rugged 2-layer bumpers
Soft interior adds shock absorption; exterior TPU resists dirt, oil & tears

Overhang corners
Doubles the protection when device is closed

Full functionality
Supports all device functions and provides easy port access

Complete flexibility
Both designs enable full 360-degree functionality for 2:1 devices

Perfect-fit
custom design for each device model
