

Safeguard Microsoft Surface Pro tablets from damage due to drops, bumps, and scratches with the custom-fit Extreme Shell case. Rugged, shock-absorbing silicone bumpers surround the impact-resistant polycarbonate back cover; corners are enhanced for added protection. The precise fit enables full use of the kickstand and all ports, plugs, speakers and controls. Fully compatible with the Microsoft Type Cover or similar keyboard, the Extreme Shell enables easy keyboard add and detach for your typing convenience. The integrated holder keeps the stylus close at hand, while the clear back panel provides visibility to asset tags for easy scanning.
